

PIZZA PERFETTA (PERFECT PIZZA!)

Our pizzas are made in the traditional Italian style—we even use imported Italian ‘tipo 00’ flour. We spin our bases by hand, aerating the mixture whilst retaining just enough moisture to achieve the perfect crispy base. Our housemade pizza sauce is made with imported San Marzano tomatoes, originating from the Sarno valley (near Naples). These sweet, low seed tomatoes are certified in accordance with Italian law as *Pomodoro S. Marzano dell’Agro Sarnese-Nocerino*—i.e. they’re the real thing.

The other ingredients we use for our toppings are locally sourced where possible. For example, our buffalo mozzarella is made by hand on a small farm near Darfield. Our pizzas are cooked in an authentic oven that was manufactured to order for Cafe Valentino by specialist Italian firm *Ambrogio*—who have been making pizza ovens from their Milanese factory since 1939. To install the two tonne oven, we had to remove most of the front windows from the building and hoist it in... we won’t be moving anytime soon...! *Buon appetito!*

LA NOSTRA STORIA (OUR STORY)

Cafe Valentino first opened its doors in 1991 at 813 Colombo Street and quickly became a local culinary institution. Business was ‘*magnifico*’... until 2011.

If you look above the wine store, you’ll see a display case mounted on the wall containing a bottle of Penfolds Grange. A box of this rather exclusive wine was delivered the morning of the 22nd Feb 2011. This is the only bottle from that delivery to survive the 12:51pm quake. More importantly, everyone on the premises that day escaped serious injury. The building however was (as we say locally) ‘completely munted’. None-the-less, we’ve kept this bottle for good luck!

We reopened at this address in 2012 and are proud to occupy one of the few remaining historic buildings in the CBD. Constructed in 1904, this building was originally the Manchester Unity Lodge Hall before being sold to the Social Credit League (NZ Democrats) in 1966. This building survived the earthquakes almost completely unscathed—thanks to significant strengthening work completed a few years prior.

And now, 168 St Asaph Street is part of the delicious history of Cafe Valentino!
